Electrical Engineering – Computer Option Undergraduate Curriculum Flowchart 2011 – 2012

Note: Changes in prerequisites/corequisites for a course made subsequent to the date of this chart, although not reflected in the (outdated) flowchart, do apply to students who have not taken the course.

*ECE Electives: At least 7 hours consisting of at least two ECE electives, one of which must have a lab. The electives consist of any 3 or 4 hour ECE courses with associated labs if required at the 3000 level or above except ECE 3336.

^ECE 4335-4336: These are a two-course sequence that must be taken in consecutive semesters, with 4336 to be taken in the semester of graduation.

#Approved CpE Electives: ECE 4437, 5436 or 5440.

Courses shown as XXXX X3XX: This means that any appropriate 3-hour course in the indicated category of the core will fit in this box. Remember that the second digit in a course number indicates the number of hours for that course.
